Hi Anne,

Here's some additional info re last night's discussion:

Question regarding permits for multiple dwellings (duplex, triplex) – A permit is required for each rental unit. So a duplex requires two permits if both sides are to be rented short term.

Question regarding ability to look up STR permits online – STR listings are not available online due to privacy and security issues. Building permits can be viewed on the state e-permitting site at <https://aca.oregon.accela.com/oregon/> but STR permits are not accessible there. Community Development can answer any questions you may have on individual properties if you can provide the street address.

Question on number of units – Here is the unit count for currently active TLT accounts. Thousand Trails is not included in the Pacific City count (registered as Cloverdale).

Hope this helps. Let me know if there are any other questions.

Thanks again for having me.

Tom Steiber
